## St. Thomas's Mission

*Nourished at Christ's table and  
stepping forward in faith,  
we are instruments of God's love,  
serving our parish family,  
the University of Delaware,  
our community, and  
God's creation.*

## WELCOME TO ST. THOMAS'S PARISH

We are thankful and delighted that you have visited our parish family of St. Thomas's! We are a diverse congregation that shares in a faithful, committed, active parish life. Being adjacent to the University of Delaware, we embody a special spiritual and intellectual energy that we hope will engage you in mind and spirit. Our hope is that you freely explore the many ministry opportunities that express your gifts and interests – in worship, study, social action, hospitality, Christian education for young and adult, our musical and choir programs, publications, pastoral care, and other pathways you may choose or may bring to us. There are many, many ways you can share your gifts and grow in faith with us.

We are honored to share in the mutual ministry of St. Thomas's parish, as together we seek to grow more deeply in God and Christ in our living. If we may be of help to you in becoming acclimated at St. Thomas's, I would be delighted to meet with you at our mutual convenience and share the sacred stories that make up our life and faith experience.

Again, our warmest welcome in Christ to you and hope you will find the presence of Christ among us as you seek your spiritual home.

Faithfully in Christ,

The Reverend Paul W.  
Gennett, Jr.  
Rector
